## WORK EXPERIENCE

---

### **Graphic Designer**

July 2021 – February 2025

Baker Publishing Group, Ada, MI

- Created, typeset, and paged the interior designs for over 200 titles including academic, children's books, trade fiction, and trade nonfiction titles
- Made cast-off page count estimates for over 300 titles pre-design and corrected 500+ reprinted titles
- Paged over 200 titles with final text post-design
- Created and edited figures, graphs, photos, and illustrations for over 70 book interiors
- Collaborated with editors, production specialists, marketing teams, sales departments, warehouse workers, and cover designers company-wide

### **Graphic Designer**

August 2020 – June 2021

S+K Printing, Ionia, MI

- Designed print, digital, and social media materials for both S+K Printing and 100+ Ionia County businesses and individuals
- Completed the finishing aspects of printing including scoring, laminating, copying, and faxing
- Aided walk-in customers with in-person printing needs and transactions
- Managed the office by keeping track of customer information, overseeing inventory, answering phone calls, maintaining a keyholder position, and keeping a record of sales

### **Student Graphic Designer**

December 2017 – May 2020

The Center for Academic Innovation at SVSU, University Center, MI

- Designed print, digital, and video materials which over 8,000 SVSU faculty and students interacted with on a daily basis
- Re-designed and managed the Center's website including researching current web design trends, collaborating with SVSU's web designers, layout restructuring, and accessibility updates
- Created materials for faculty's online courses including worksheets, syllabi, website assets, and presentation slides
