EXPERIENCE

Graphic Designer (2021-2025)

Baker Publishing Group
Ada, MI

- Created and typeset the interior designs for over 200 titles including academic, children's books, trade fiction, and trade nonfiction titles
- Made cast-off page count predictions for over 300 titles pre-design
- Paged over 200 titles with final text post-design
- Made corrections to over 500 reprinted titles
- Created and edited figures, graphs, photos, and illustrations for over 70 book interiors
- Collaborated with editors, production specialists, marketing teams, sales departments, warehouse workers, and cover designers company-wide

Graphic Designer (2020-2021)

S+K Printing
Ionia, MI

- Designed print materials for both S+K Printing and hundreds of Ionia County businesses and individuals
- Completed the finishing aspects of printing including scoring, laminating, copying, collating, and faxing
- Aided walk-in customers with in-person printing needs and transactions
- Managed the office by keeping track of customer information, answering phone calls, maintaining a keyholder position, and keeping a record of sales

Student Graphic Designer (2018-2020)

Center for Academic Innovation at SVSU
University Center, MI

- Designed print and web materials including posters, flyers, brochures, and TV advertisements which over 8,000 SVSU faculty and students interacted with
- Re-designed and managed the Center's website including information updates, webpage layout restructuring, and accessibility updates
- Created graphic materials for SVSU faculty's online courses including worksheets, website assets, and presentation slides
